Wash Your Hands Song Contest (Chance to win $25 Gift Card)

By: Michael Diamond

Date : March 4, 2020

20-Seconds

Did you know that experts advise that you should wash your hands with soap and water for at least 20 seconds? That might seem like a short amount of time, but it's probably 4x longer than what you are doing now!

20 seconds is roughly the time it takes to sing the Happy Birthday song TWICE!

CHANCE TO WIN $25 AMAZON GIFT CARD

We'd like you to submit YOUR idea for our next set of posters. Email us at WashYourHands@IC.tips with your suggestion for 20-second lyrics and you will be entered into a random drawing for a $25 USD Amazon gift card.

The only rule is that lyrics must be suitable for public consumption, so no swearing or references to drugs, alcohol, etc.

Have fun with it, and WASH YOUR HANDS!
